- 04 Box up returns
- 05 Send Payment

Earn up to 40% Profit on Products and 75% on Donations

Fundraisers with less than 200 items sold receive 30% profit on products

Pre-Fundraiser Support

- **Help Finding the Right Options and Programs.** Our fundraising consultants help you find the best fundraising format and products to best meet your needs and goals.
- **Free Fundraising Student Packets.** Each student/seller gets a packet that includes everything they need to start fundraising: Brochures, Instructions, Prize Flyers, Money Envelopes, and Order Forms. We can presort the seller packets into teacher groups (with teacher instructions) for easy distribution.
- **Free Kick-Off Presentation.** We help get things started with a bang by offering on-site, live kick-offs or virtual video kick-offs. Both options are designed to create excitement, purpose, and motivation for your fundraiser.

During the Fundraiser

- **Fundraiser Success Kit.** Build excitement and motivation with easy resources, videos, social media graphics, and communication templates that help you promote fundraiser participation.
- **Reach More People Online.** Our easy to use online and mobile website helps boost sales. Share the fundraiser with customers anywhere in the U.S. with direct to customer shipping. We also include options for local customers to pay online and have items shipped to the school.
- **Free Prize Programs.** We have age specific programs for both elementary and middle/high schools to encourage sales and participation. Our elementary prize program also includes instant prizes that kids can earn and receive in real time as they bring in sales. Nothing motivates more than instant gratification! Plus, children are even more motivated when they see the prizes their classmates receive.
- **Live Customer and Parent/Student Support.** Customers and Parents/Students get support directly from us with access to online FAQs, help forms to email us, and a 1-800 number and NO chat bots. We make it easy to talk to a real person!
- **Real Time Reports.** See online sales reports and student registrations instantly with both seller and staff/teacher portals.

Post Fundraiser Support

- **Order Tallying.** We tally and combine all paper order forms and online orders by student.
- **School Deliveries.** Deliveries to the school/group are made by our staff during a set date and time, so you know exactly what to expect and how to plan. Our delivery staff will stay to help lay out boxes and set up for distribution.
- **Presorted by Student/Seller.** All items shipped to the school come presorted, packed, and labeled in boxes or bags for each student/seller to simply grab and go.
- **Final Reports.** Receive easy to use reports that show total sales and items by student.
- **After Delivery.** Our team continues to stand by to answer any questions or solve any issues with missing items. We use a scanning system to pack student boxes, so issues are rare, but our amazing staff are still human. If mistakes happen, we make it right.
- **Payments.** If you sell more online (or only online), we send you a profit check. If you sell more through paper order forms, you can pay us by check or, for a small fee, by credit card.

Instant Sales, Thons, & Events

- Wide assortment of unique products and programs
- Variety of profit options
- Hands-on support to help make your fundraiser a success
- Let us help you find the right options for your group
